

ACCADEMIA NEVE

Livigno, Italy 25th Jan - 6th Feb 2025

Lamborghini Accademia NEVE has been the pinnacle of luxury on-ice driving classes since its start in 2012. Over the last 13 years, we have perfected a unique approach that enables participants to skillfully maneuver the entire fleet from Sant'Agata Bolognese under various traction conditions. During Accademia NEVE, each attendee receives one-on-one instruction from a professional driving coach associated by your side as a passenger.

Feel the thrill of driving a Lamborghini on both ice and snow! Improve your driving techniques behind the wheel of the latest Urus SE and the powerful Revuelto. These vehicles will traverse the famous Livigno ice track, all set against the breathtaking scenery of the Italian Alps.
